

Working papers represent the pre-published versions (“preprint”) of academic articles, books, capitols or reviews. All manuscripts posted in *Archive* have the status of manuscripts in progress (“in progress”), manuscripts sent for publication (“with editor”) or manuscripts under review (“under review”).

The ECREB manuscripts are included in the FEAA Working Papers Series (FEAA WP Series) and are:

1. not published;
2. sent by authors by their free will (at least one author must have ECREB affiliation!);
3. available without any restrictions (the readers can post comments);
4. written in Romanian or other international languages;
5. not reviewed;
6. not standardized as writing;
7. accepted for posting after minimal form checking (the quality and ideas are whole responsibility of the author/s, which have all copyright rights – FEAA and ECREB do not have any responsibilities in this way);
8. without ISSN or ISBN;
9. subject to be cited with or without author/s acceptance.

* The codification of FEAA Working papers Series is performed using the year, department and current number of posting.

Example: 2012.FEAA.M.32 – years 2012, FEAA, Management, 32th working papers in 2012 year.
